Journey to Good Health

March, 2014

TO WHOM SO EVER IT MAY CONCERN

It gives us great pleasure to partner with Tran-Scell Biologics, Stem Cell Bank, Hyderabad, India for providing integrated stem cell banking services to our clients and patients along with support for stem cell based solutions.

The bank's superior technology and high quality services along with commitment to clients is of great benefit to the patient community. We are happy with their professional and comprehensive response to provide relevant information and services covering stem cell banking and related activities.

Thanking team Tran-Scell for allowing us to visit their stem cell storage facility at Hyderabad that is found to be classified with standards met with appropriate backup samples storage provided.

We strongly and certainly recommend Tran-Scell stem cell storage services to all eligible and potential clients for quality consultation.

We look forward to a long lasting and productive partnership with Tran-Scell.

Sincerely,

Dr Anupam Chhabra
